

Using google apps on a tablet, to access online classroom work

Follow these steps to help:

- Access the work
- Use google docs and slides to edit/answer
- Upload files/attach images with a document
- Hand in a document

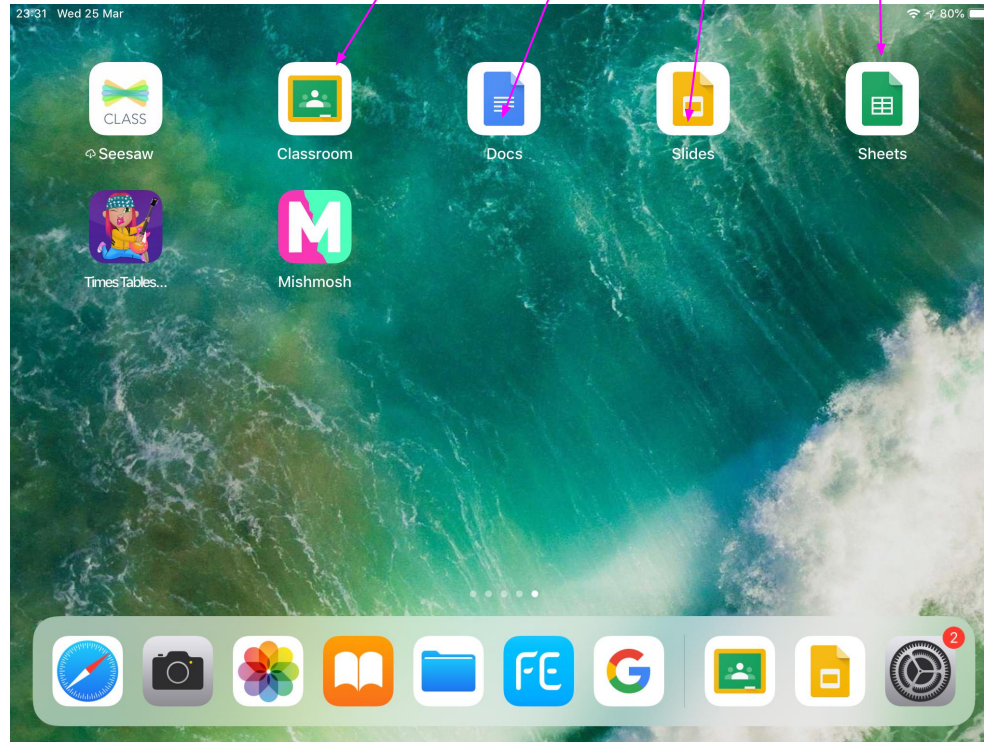

You *can* access your google classroom work on a tablet using Safari.

However, **using the purpose built apps** will allow you to access, manage, edit and return work **far easier**.

1. First, download the free google apps (classroom, docs, slides and sheets)

2. Sign in to each using your hwb username and password

(they will automatically link using your google drive storage space)

3. Inside the google classroom app, select your class

4. Click the 'classwork' section
