

PRIMARY SCHOOL FREE BREAKFAST CLUB

Our Breakfast Club is run by Catering Services and at present is currently not available to Pre Nursery or Nursery children.

This is due to staffing numbers and based on health and safety risk assessments.

For children in Reception through to Year 6, there is currently a digitalised booking registration system which can be found here

<https://www.rctcbc.gov.uk/EN/Resident/SchoolsandLearning/Schoolcatering/PrimarySchoolBreakfastClub.aspx>

There is a limit to the numbers that are allowed each day and should your child not be successful in gaining a place, they will be placed on a school held waiting list and a place provided as and when one becomes available.

Please can we remind you that breakfast club is run to provide those children that need it, access to a free and healthy breakfast. This provision is not childcare.

Places not used for three weeks or at least once a week will result in removal from the register and the space offered to the next on the waiting list.

When booking a place, could we ask parents to be mindful of booking a place 'just in case' and then not using it and/or duplicating bookings for their children when booked separately by both parents.

Breakfast club opens at 8am and the doors shut at 8.20am PROMPT.

Parents MUST accompany their child to the front door and hand them over to staff to ensure registration is confirmed.

No hot drinks are to be brought into breakfast club, thank you.

For further information please contact the school office -
